

October Newsletter

September and October have seen members out and about with some internal and external social events. It's so great to see our club members enjoying the general aviation community and the awesome people within it. Below are a few snaps of club members and their ventures.

Mark & Beth Langford and Melanie Cummins headed to William Creek at the end of September for the Fly-In. Mark displayed his C210 Turbine on the Saturday. The pub was packed to watch the AFL Grand Final and the Oodnadatta track was chocked with parked aircraft and a band playing into the night. See pictures below....

The Jamestown Air Show Spectacular saw our own President, Kevin Warren displaying his Glasair 3 at the event. Other members Brian & Rosalie Calderwood & Lyall Jaensch flew their aircraft in for the day and David Williams and Melanie Cummins attended also. See pictures below....

VH-SEB - Paint job is in progress. Aircraft is dismantled and being worked on at Sky Park.

Events

The CASA AvSafety Seminar was yet another success. CASA are really happy with the turnout every year. Thank you for those who came along. The seminar had a focus on situational awareness and a brief run over the Graphical Area Forecasts again. Thank you to club members who organised food and had the clubrooms ready.
